

From: Hon. George Younger M.P.

HOUSE OF COMMONS
LONDON SW1A 0AA

hand

Dear Margaret,

I do apologise for troubling you
so soon with this but you may find
it useful if a Scottish hobby man
catches you.

Many congratulations on the result
and on the way you fought the campaign.
The Party in Scotland made it
absolutely clear in the Central Council
Meeting on Saturday that they will

gladly unite behind you.

With every good wish

Yours ever,

George
