R

5th September, 1978

None of us can know whether it will be possible for you and John Nott to hold the suggested meeting with Siegmund Warburg about the implications of Bremen. Obviously you will keep me posted of the outcome if it does take place.

This note is simply to record my view that my own thinking is in line with that set out by John in his letter to you of 22nd August.

The Rt. Hon. Sir Keith Joseph Bt., M.P.

cc The Rt. Hon. Margaret Thatcher M.P.
John Nott, Esq., M.P.
