Dear Mrs Thatcher,

As I fly back home
the memories of that very
special evening are very
much in my mind. I so
enjoyed the dinner and
those wonderful lovely guests

and I especially appreciate
our little private meeting.

Your schedule is so
complex; and that makes
us even more appreciative
for your warm hospitality.

Will never forget our
dinner at Number 10.

My respects and very heart-
felt thanks - Sincerely, Gov Bush
