THE PRIME MINISTER

31 March 1981

Dear Mrs. Taylor,

Thank you for your letter of 24 March about notification of Ministerial visits to your constituency. I am sorry if there have been occasions when the normal courtesies have not been observed, and I will arrange for my colleagues to be notified of what you have said. I hope that you will take up any recurrence with the Minister concerned.

Yours sincerely,

Margaret Thatcher

Mrs Ann Taylor MP
