Scottish Conference Speech -
Friday 8th May 1981

I had a meeting with the Prime Minister this morning, at which we discussed the speech which she is to make at Perth on 8th May.

The theme of the Prime Minister's speech will be why our policies will work, and the signs that they are actually working.

Would you be able, please, to let me have a list of say six Companies, as large as possible, which have really prospered in Scotland say over the last 12 or 18 months?

If it was possible to find Companies in differing parts of Scotland, that would be most helpful.

The Right Honourable IAN GOW
George Younger, T.D., D.L., M.P.
Secretary of State for Scotland
