Central Council Meeting, Cardiff

Saturday 28th March

The National Union are keen to go firm  
on a slogan for the backdrop on the  
platform at the Central Council.

The suggested message is:

"Britain on the Right Road"

Are you content for them to proceed?

worried that someone  
might display the  
unemployed. Jones next to  
such a slogan. One can just  
see the 'Union' doing it.
