Dear Ian

Many thanks for your letter of 4 March enclosing a copy of Derek Norton's letter of 19 February with its enclosures. I understand that Hadfields have given the police such information as they have which may be relevant to possible prosecutions.

HADFIELDS LIMITED

I did show to you, last month, the letter dated 19th February which I had received from Derek Norton, but I think that you did not have time to read the enclosure to that letter.

I showed the letter and its enclosure to the Prime Minister. She has asked, particularly, that I should send a copy to you and this I now enclose.

Hadfields Limited

1. Herewith letter dated 19th February from Derek Norton, together with the Statements which have been made by employees of his Company about intimidation.

2. Although there are differing accounts as to what exactly took place when the Assistant Chief Constable went to the factory on 14th February, there is no doubt about the extent to which those who were working on that day were intimidated.
