The Rt. Hon. The Lord Carrington, KCMG, MC,
Secretary of State for Foreign and
Commonwealth Affairs,
Foreign and Commonwealth Office,
London, SW1.

CONFIDENTIAL

Dear Peter:

During his visit to Buenos Aires, Tom Enders raised the Falkland Islands both in private and in public. He said that there are human and strategic aspects to the dispute and that both must be satisfied. Tom urged the Argentines to continue negotiations. They were noncommittal but not negative.

As opportunities present themselves, we will continue to urge a constructive approach with due regard for all interests at stake.

Sincerely,

Al
