My dear Brian,

As we were walking back to the VC10 at the end of the Prime Minister's stop-over at Vnukovo on 26 June, V. P. Suslov took me by the elbow and made a remarkably impassioned plea to me to secure a signed photograph of the Prime Minister for his daughter.

I have since told the Prime Minister about Vladimir Pavlovich's request (and about Vladimir Pavlovich) and, in the hope that the photograph really is for his daughter rather than for some other less innocent purpose, she has agreed that he may be given the enclosed.

Would you very kindly deliver it to Suslov, for his daughter, and give him my best wishes at the same time?

Best wishes,

Yours we,

Brian.
