7 January.

Dear Richard,

On 29 December the London correspondent of "Die Welt", one of the most highly-regarded German newspapers, had an article published which cautiously admired Mrs. Thatcher's courage in the face of the economic situation. The paper covered this by voting her its Woman of the Year.

Yours,

Rosemary.

Int. Office.

9th January 1980

Thank you very much for your letter of 7th January concerning the article recently published in "Die Welt". I am most grateful to you for bringing this to our attention.

Richard Ryder
