THE PRIME MINISTER

Royal Wedding week.
1981.

Dear Gordon,

My warmest and most appreciative thanks to you and your staff for the wonderful luncheon at the Bank of England for Heads of State and Government following the Royal Wedding.

It was not easy to create the right atmosphere immediately after a wedding which was both so splendid and so moving, but you did it to perfection.

The garden was delightful for pre-lunch drinks and the staff gave us a superb lunch in wonderful surroundings. We all had a very happy time on a most memorable day.

My thanks to everyone, and may we come again!

All good wishes.

Yours sincerely

Nargaret Thatcher
