

10 DOWNING STREET

THE PRIME MINISTER

Dear Fergus and Joyce

Thank you for the  
Compart - plate - you are  
marvellous. I am very proud of

the series, the more so because  
it comes from you.

What a year. Even the  
recess has been hectic. And things  
are hardly likely to calm down!

I just hope that we  
don't get too many problems  
from there if our number do  
want to follow a definite line.  
It really is what that we all  
pull together.

Yours  
w,

Raymond
