THE PRIME MINISTER

IN CONFIDENCE

22 May 1984

Dear Professor von Hayek,

I have it in mind on the occasion of the forthcoming list of Birthday Honours to submit your name to The Queen with a recommendation that Her Majesty may be graciously pleased to approve that you be appointed a Member of the Order of the Companions of Honour.

I should be glad to know if this would be agreeable to you. I shall take no steps until I have your reply.

Yours sincerely  
Margaret Thatcher

Professor F A von Hayek
