From the Private Secretary

26 June 1979

The Prime Minister has considered the Attorney General's minute of 15 June, about the possible disclosure of the scale of documentation related to the criminal investigations following the Bingham Report.

She is content with the Attorney General's conclusions.

I am sending copies of this letter to the Private Secretaries to other Members of the Cabinet, including the Minister of Transport, to Murdo Maclean (Chief Whip's Office) and Martin Vile (Cabinet Office).
