

10 DOWNING STREET

1 March 1960.

Dear Mr. Kendall,

Thank you so much for
your kind letter. I will remember
you in Grantham both as our M.P.
and as a very successful industrialist.

We have had some difficult
decisions to take here - and there
will be more ahead. And it takes
time to change attitudes and turn
things round. But if we stick
to it

firmly to our policies - I have
no doubt they will succeed.

Yours sincerely
