THE PRIME MINISTER

23 March 1981

Dear Fergus,

Thank you for your letter about the reception at the House of Commons on Thursday 4 June to celebrate the 10th birthday of "No Sex Please, We're British".

Alas, I cannot be with you on that day. We have Cabinet all morning followed immediately by a briefing meeting for my Questions in the House in the afternoon. I seldom come over before 1445.

I am so sorry about this and my office have written separately to John Gale.

Yours
w

Fergus Montgomery, Esq., M.P.
