

## 10 DOWNING STREET

THE PRIME MINISTER

27 November 1979

Dear Sir Claus,

Denis and I so loved our evening with you on Friday. "Norma" really is a wonderful opera, and it is a long time since I have been able to relax and enjoy myself so much.

I am so grateful to you for offering to arrange for the Thatcher family to come to the opera on 31 December. This will be a very special treat, as it is a long time since we were able to share an evening together.

Warm good wishes,

Yours sincerely,

(signed) M.T.

Sir Claus Moser, K.C.B., C.B.E., F.B.A.
