

From THE RT HON SIR KEITH JOSEPH BT MP

J/SMC

Rt. Hon. Mrs. M. Thatcher, M.P.,
House of Commons,
Westminster.

29th January 1976

Ian Murgant.

I had a long talk with Arnold Hall. You may like to know that among much else, he said that the Hawker Siddeley team, working on the nationalisation Bill, had started with a low opinion of politicians but had come very much indeed to respect the work of Michael Heseltine and his team as the weeks went by.

This was volunteered by Arnold. I am copying this to Michael as it is pleasant to be appreciated.

*Yours,
Keith*

C.c. M. Heseltine Esq., M.P.

Of course, no reply.
