Shadow Cabinet Agenda

Norman Fowler telephoned me last week and said that he had spoken to you about the possibility of having a transport paper on the Agenda before the end of the Summer. I understand that he would like to table a short paper covering a draft CPC pamphlet which he would hope to have published in the early Autumn.

I imagine that this is all right and I suggested to him that the 27th July might be the best day for taking his paper.

CHRIS PATTEN
