HOUSE OF COMMONS  
LONDON SW1A 0AA

Dear Willie,

We the undersigned - many of us representing constituencies with large immigrant communities are very concerned at reports in the press about possible changes in the Government's proposals with regard to immigration.

We believe that the measures so far announced are at best adequate. Any further dilution would damage the credibility of the Government both within the Party and in the country as a whole. We would be very grateful for the opportunity to meet you to discuss this issue as soon as possible.

Yr. Sincerely
