

PRIME MINISTER

Weekend box

Weekend of 2/3 October

This is the weekend after we get back, and prior to the Party Conference.

1. I have put Ronnie Millar, John Gummer and Ferdy Mount on standby for the weekend. Would you like them to stay on Saturday night, arriving at 1800? This will give you time to clear your boxes, of which there will be many. It will also enable you to have a general chat on the Saturday night about the speech, and get down to proper work first thing on Sunday. Agree?

Yes
not

2. Would you like me to come too for the typing?

Yes please
