Dear Mike,

You asked the Ministry of Defence Resident Clerk for a list of the next of kin of the soldiers killed in yesterday's tragic incident. This is attached.

16 letters here yours ever,  
Some of the names are the same - e.g. Jones - David  
(D B OMAND)  
but if you look they can't (I hope) be confused. They are in list order.  
(see underneath)  
At the back are the two articles which I feel may be needed before the day is out. nm
