

SECRETARY OF STATE FOR ENERGY  
THAMES HOUSE SOUTH  
MILLBANK LONDON SW1P 4QJ

24<sup>th</sup> June 1982

Dear Ian,

I enclose a text of the  
Patrick Hutton Memorial Lecture which  
I delivered earlier this week.

It occurred to me that - as the  
celebrated text of her say all  
to you the time - the Permanent  
might be interested to read it.

Yours truly  
Nigel
