Perhaps I should report that Archduke Otto of Hapsburg came to see me to request that invitations to you and a few of your colleagues to a gathering of European Conservatives in Bavaria on September 24/25th should be seriously considered. He has I think also seen you and Reggie but in case you did not see him, I am reporting this request. He spoke to me of the worrying penetration by extremists of the CSU and told me that in his view the Army would be the next target of the extremists.

I am copying this to Reggie.
Obviously no need for a reply.
