

HOUSE OF COMMONS
LONDON SW1A 0AA

14th April 1981.

Dear Mr. Whitmore,

Thank you for your letter of the 9th April.

In fact, all my secretary was asking for was a copy of the acknowledgement of Winston's letter to me. If you have that perhaps you could let me have a copy, but don't go to any great trouble over it.

Should this question be raised again, I was well aware that every single member of the Soviet trade delegation at Highgate was KGB/MBD and made it my business to warn every firm I knew who were involved in Soviet trade, including some of the really big exporters, of that fact.

Yours sincerely,

Harold Wilson
