

PR MINISTER

OD(SA) : Monday 21 June

The Foreign Secretary will be at the Foreign Affairs Council. The Defence Secretary has a commitment to open the British Army Equipment Exhibition. Although there are as of now no specific matters for decision at OD(SA) on Monday, we have said that the meeting should still be held because you will want to take stock of events over the weekend. Sir Antony Acland can represent Mr. Pym and the CDS will represent Mr. Nott.
