CAROLINE

1. I won't tell you the history of Churchill Lungs BUT every Conservative P.M. has attended Churchill Lungs "on the Hill" since the Great Man himself.
2. The P.M. has attended once (but NOT as P.M.) when Mark was there
3. I have written to Ian Beer who I have known for 23 years to say

that he should write to
you with his preferred
date, FR, 2 December
and the alternatives. In
the meantime you
MUST ~~find~~^{get} one of these
dates into the diary
'cos this is an historic
occasion for Harrow.

and, I think for the PM,
4. 'Songs' are at 6.30 pm or
6.00 with a Reception after
D 5/2

PRIME MINISTER

DT has received a letter from Ian Beer, the Headmaster of Harrow, asking you to go to Churchill's Songs in 1983. DT is very anxious that you should attend.

What are your views please?

Ed.

*Should love
to go.
