MEETINGS WITH THE OFFICERS OF OUR BACKBENCH COMMITTEES

1. The Annual elections for the Officers of our Backbench Committees will take place during the course of this month.
2. As soon as the elections have taken place, I will let you have a list of the new Officers.
3. However, the purpose of this note is simply to ask if you could please block out 45 minutes once a fortnight (I fear that you will not be able to do it as often as that) so that the Prime Minister can receive officers of the main Committees here. As you know, the most convenient time for them is 12 noon - 12.45 p.m.
4. These meetings are very greatly appreciated by our Backbenchers, and I would be grateful if this could please be given some priority.
