

Prime Minister

THE BOW GROUP - ALAN WALTERS

1. Herewith letter dated 11th November from the Chairman of the Bow Group, addressed to Alan.
2. I have rather revised my earlier view about Alan addressing bodies of this kind.
3. The Bow Group is much in need of education; Alan could provide it; Alan will defend, with great conviction, the economic policies of the Government; and the hiccups at the beginning of his appointment have taught Alan that he must be careful.
4. Subject to your views, I think that Alan ought to accept this invitation.

Yes
not.
