PRIME MINISTER

PANORAMA

I have had a telephone call from Panorama today to ask whether you would be prepared to do your interview on April 26 live at the TV Centre.

I think they would prefer the interview to be conducted there but would, of course, bring an outside broadcast unit here if you so preferred. Could you let me know your wishes?

As of now they are proposing two interviewers - Robert Kee and Richard Lindley. I am afraid I have not made any headway with Robin Day and I rather get the feeling that this is a matter of Panorama pride in using their "own" interviewers.
