

Prime Minister

1. Charlie D-H telephoned this morning.
2. He now has his own telephone in his private room. The number is 794-9732.
3. Charlie is going to write the Leader on Wednesday morning, following the release of the Franks Report at 3.30 p.m. on Tuesday. I have had a word with Bernard Ingham. Tessa is going to take a copy of the Franks Report up to the Royal Free Hospital so as to deliver it personally to Charlie at 3.30 p.m.
4. Charlie's Leader will be full of praise for you!
