

Howard Bound - 2-10

Dear Mr Prime Minister,

As I look out  
of Air Force II's windows  
trying to spot the USA, my  
mind is back at #10.

Thank you for

all your precious time.  
That teta-a-tete was most  
informative. I will convey  
all these views to our  
President. Thank you, too,  
for the lovely dinner - un-  
forgettable. With my  
respects and warm best wishes  
As B
