THE PRIME MINISTER

15 February 1983

My dear Vice-President,

It gave me the greatest pleasure to see you here last week. I much enjoyed our talks at the end of your very successful and valuable visit to Europe.

Thank you so much for your magnificent gift. It is one of the most beautiful presents I have ever received and I shall treasure it always.

Your visit was an enormous
success.

Yours sincerely
Margaret Thatcher

The Honourable George Bush
