POLITICAL MATTERS

1. You will be answering Questions in the House on Maundy Thursday (31st March).
2. At noon on that day, Cecil Parkinson, Peter Cropper and Max Beloff are coming to see you to talk about the future of the Research Department.
3. Would you allow Cecil and me to take you out to lunch at the Cavalry Club afterwards?
(I suggest the Cavalry Club rather than the Carlton because we will be relatively incognito there!)
