

10 DOWNING STREET

THE PRIME MINISTER

*My dear Vice-President*

I understand that you will be visiting Western Europe again in late June, and that there is a possibility that you might be able to attend our annual Party Leaders' Meeting of the European Democratic Union in London on 24th-25th June.

If this should fit into your itinerary, I would welcome your participation, as indeed would other EDU leaders. I am hopeful that the meeting will mark the launch of a new initiative to promote cooperation between non-socialist parties throughout the world.

I am giving a Dinner here at 7.30 p.m. for 8.00 p.m. on Friday, 24th June and it would be a great honour for all of us if you were able to be present on that occasion.

*Warm regards*

*Yours sincerely*  
*Robert Peel*
