EDU/IDU PARTY LEADERS MEETING IN LONDON - FRIDAY 24TH
AND SATURDAY 25TH JUNE 1983

1. Herewith Minute dated 22nd April from Scott Hamilton plus draft programme and list of those likely to be attending, and copy of my letter to Scott Hamilton of today's date.
2. May I leave it to you, please, to deal with Scott Hamilton direct about invitations?
3. We will need to decide who, in addition to our overseas visitors, ought to be invited from Government and Party.
4. I am under strong pressure from Tony Royle for the Prime Minister to attend a session of the Conference on Friday 24th June. I have resisted this, on the grounds that the Prime Minister is already giving a lunch here and that that demonstrates her commitment to the Conference. This is just a warning order to say that Tony Royle will renew his pressure as the date gets closer.
