THE WEEKEND

There is only one topic: the election - the follow-up to the local elections; your World this Weekend broadcast; the gathering at Chequers; and when (and whether) will an announcement be made.

LWT's Weekend World will analyse the prospect for a June election. Denis Healey will be on Channel 4's Face the Press on Sunday.

Other events:

- OECD and IEA Ministerial meetins, Paris;
- 10,000th issue of Observer (second instalment of your interview);
- Spanish local elections.
