Dear Prime Minister,

I am writing on behalf of the members of the Romford Young Conservatives, to congratulate you on leading our Party to Victory at the General Election.

It was a tremendous Victory for this Government and certainly showed that the mass majority of the British people are right behind you. The Romford Young Conservatives truly believe that under your resolute leadership, Great Britain will go from strength to strength. We are extremely proud to have been able to help in the election campaign in Romford, and would gladly do it again.

As young people, we now look forward to five years of common sense and good government. You have the staunch support of Romford, and I can assure you, that our support will remain.

Yours sincerely

Andrew.

Andrew R Rosindell
