

10 DOWNING STREET

THE PRIME MINISTER

13th June 1983

*Dear Annette,*

This is just a short note to thank you so much for the really marvellous help which you gave my office during the General Election Campaign. Alison and Tessa have told me what a splendid back-up you were to them in particular.

I am terribly sorry to hear that your ankle has been so painful and I hope you will give it a proper rest.

It was wonderful to see Johnny looking so fit again in the Isle of Wight and I hope that, with his holiday in North Wales, his recovery will be complete.

*Yours  
Margaret*
