

10 DOWNING STREET

THE PRIME MINISTER

14th June 1983

Dear Ronnie,

I owe you a debt of great personal gratitude for all the help you have once again given me with the PEB and with speeches during the General Election Campaign. At times it can not have been easy for you, particularly when you were not well, having to work so late at night; but I deeply appreciate your unwavering support and encouragement. They have - as ever - given me great strength, and I hope you will long continue to help me.

*Yours
Margaret*

Sir Ronald Millar.
