

10 DOWNING STREET

THE PRIME MINISTER

14th June 1983

Dear Ferd
Ronald

You have been quite magnificent in helping me over the past year and I could not have worked with anyone with more dedication or charm. You played a key role in our victory and I am very grateful for everything you did.

Co-ordinating all those who contributed to the speeches must have required the utmost skill and tact! But the speeches you did for me during the Campaign could not have been better. They represented so clearly all the arguments which I was determined should be put over, and in the end, the strategy worked. We were right not to be blown off course and to stick firmly to our own policies.

With my special thanks, and with every good wish to you and to Julia,

*Yours
Rogers*
