

10 DOWNING STREET

THE PRIME MINISTER

15th June 1983

Dear Paul,

I do want to thank you most warmly for the tremendous help you have given during the General Election Campaign.

The contribution that you have made to the drafting of my speeches has been invaluable - especially at a time when I have had several major speaking engagements in a short period of time and when it is difficult to keep the material fresh.

I know from Ferdy that you have been a great inspiration and I do appreciate it.

Now we must go on with the fight. We must carry out our policies and continue to persuade the people that they are right. I hope that we will keep in touch and that I may count on your help in the future.

With renewed thanks and with every good wish.

Yours sincerely  
Margaret Thatcher
