

PRIME MINISTER

DINNER IN TRIBUTE TO SHLOMO ARGOV

You are attending this dinner on Thursday, 21 July. It is given by Lord and Lady Sieff. The Joint Chairmen are Trevor Chinn and Cyril Stein.

You are asked to speak for some 15 minutes or so.

This is not an occasion for a speech about the Middle East and we have worked on the assumption that you would prefer to speak about terrorism.

I attach a draft which we can discuss at 1030 hours on Monday. David Wolfson will attend.

I also attach a draft prepared by Hugh Thomas. We have used much of his material.

Finally, I attach a note giving the details of the assassination attempt on Ambassador Argov.
