My dear Phee,

May I thank you very much indeed for the most welcome message which you sent following my recent stay in hospital.

It was a great tonic and I am very fortunate in having so many kind and thoughtful friends.

The eye is recovering well and I hope to go on holiday on Friday.

With love

Raymond

Dearest Margaret,

The news of your eye trouble has just reached me, & I hasten to write you, how sorry I am, & to hope that you are not in very great pain. With your marvellous health record & your extraordinary stamina, I feel sure the doctors will soon put you right, & I trust that the rest & quiet will bring the poor right eye back to normal. When you suffer we all suffer, & you have our sympathy whenever anything like this happens!

I hope you will still be able to go to Switzerland for your holiday, because you, of all people, must badly need a break from work. Denis & the twins, Muriel, her family, & all your many friends must be as concerned as we are, & we all wish you well, & a safe return to you normal good health.

I am off to join the family in Cornwall where Peter & Mary have a cottage, so hope for some basking & sailing. I went to the lovely celebration Diamond Wedding of Jerry & Kit last month & heard all about Denis's visit to Swanley Village, to Sheila's house.

Take care, & God bless you & make you well again. With love to you all,

Phoe.
