SERIAL No. T 121/83

10 DOWNING STREET

THE PRIME MINISTER

25 August 1983

My dear Prime Minister,

Thank you for your letter of 4 August about the recent tragic events in Sri Lanka. It was most useful to have your views.

I appreciate your concern. I too have been following the situation closely and I am relieved that it now appears to be calm. I very much hope that the problems can be solved peacefully.

Kind regards,

Yours sincerely

Rajiv Gandhi

Her Excellency Shrimati Indira Gandhi
