AMBASSADOR OF THE UNITED STATES OF AMERICA
LONDON, ENGLAND

Dear Prime Minister,

Mrs. Louis and I were deeply touched by your message passed to us by Robin Butler.

We have never considered that any member of the British Government might have been involved in our somewhat premature departure from this Post. Nonetheless, your message gave us the comfort and peace of mind which we have needed during these past few weeks of speculation and inaccurate rubbish in the British and American Press.

May we thank you with all our hearts for your kind and reassuring comments!

Sincerely, John J. Louis, Jr.
