

10 Downing Street
Whitehall

22 December

Dear Prime Minister,

Thank you for a lovely party on Monday. It was a very happy evening and it was marvellous to see you, after such a taxing autumn, enjoying the music, dancing and conversation as much as we all did.

I hope you will have a really refreshing Christmas. Some of us here know you better than most - and therefore want you above all to have a little peace and rest.

My very best wishes to you and Karin

John Colles .
