31 December 1983.

Dear Michael.

Would you please thank
the political office for the
wonderfully welcome and marvellously
practical Christmas gift. It was
most kind and thoughtful. At
least my hair should look all
right in the Orwellian year to come!

And thank you all for the
splendid work in the past months.

They have been the busiest for
a long time and I expect the
pressure will keep up. But we
shall be equal to the task.

With every good wish,

Yours ever

Rajaram Shetty
