

10 DOWNING STREET

15th January 1980

Mr John.

Thank you very much indeed for your kind letter of 7th January together with the enclosure. I am grateful to you for your congratulations on the broadcast. Support and encouragement from people like you does my morale no end of good.

I have not yet had an opportunity of reading your Encounter piece but look forward to doing so over the course of the weekend.

With best wishes.

Yours sincerely
Margaret Thatcher
