FROM: THE RT.HON. SIR KEITH JOSEPH, Bt. MP.

RJ/SMC

Chris Patten Esq.

8th June 1978

Mrs. Thatcher has spoken to me about the need for a speech on cutting wasteful government spending. She told me that she thought that CRD had been collecting examples of waste from the relevant Select Committees as well as from Leslie Chapman's book.

Would you please let me know whether such material now exists so that Mrs. Thatcher can put it to use.

I am copying this note to her.

C.c. Rt.Hon. Mrs. Margaret
Thatcher, MP.
